

January 2010

Dear Parent/Guardian:

Thank you for your interest in the St. Thomas Lutheran Preschool Program. I would like to introduce myself to you. My name is Donna Vanick and I am the preschool director and teacher at St. Thomas. According to our records, your child will be 3 years or 4 years old by September 1, 2010. Because you are thinking of enrollment for the next school year, this letter will acquaint you with our preschool program at St. Thomas.

Children are truly blessings from God, and I would consider it a privilege to share your "little blessing" with you. My main goal for each child in our preschool will be to lead them closer to our Lord and Savior. We will continue to provide a warm, loving, Christian environment that will allow each child to develop his/her God given abilities and talents.

Our preschool is licensed by the state of Michigan. The curriculum includes Jesus Time, free play, music and puppet time, centers for math and science, library time, gym, art, and pre-reading activities along with outdoor play and field trips for four-year-olds.

St. Thomas Lutheran registration begins on February 8, 2010. Attached is a description of our schedule and fees. Please note that there is a non-refundable, non-transferable \$10.00 application fee that is paid in the first year of enrollment. After you enroll your child, you will receive specific information in the summer and at our orientation before preschool begins.

If you are interested but not sure your child will be ready in September, it is advised that you fill out an application with the \$10.00 non-refundable, non transferable fee and thus reserve a spot for your child. We do have a class limit and enrollment is a first come-first serve basis.

If you have any concerns or questions, please feel free to call me at my home (586) 778-3729 or call the school office. I want to keep the lines of communication always open between us.

Serving Him through His little ones,
