

What gifts has God given you?

That's what the Family Life Board would like to know!

We are truly excited to have a group of people working on your family life needs this year. Headed up by Jodi Johnstone, this group thought we'd ask about your talents and passions. We'll store these surveys and use them to contact you if an event is planned where your services may be needed. Don't worry: no pressure! Forms can be returned to the church office, completed online at www.stl-eastpointe.org/FamilyLifeSurvey.html or placed in the Family Life mailbox right outside the church office. Your input is appreciated so we can better serve St. Thomas's families.
